SCIAA Middle School Basketball Benefit Games

St. Jude Children's Research Hospital

On November 1st, 2014 the SCIAA held the 1st Annual Middle School Benefit Basketball Games. There were a total of 16 games played at four different sites across the city with 17 Shelby County Middle Schools participating. This year's beneficiary was the St. Jude Children's Research Hospital.

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other deadly diseases. St. Jude has the world's best survival rates for the most aggressive childhood cancers, and treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 per-

cent since it opened more than 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent in the next decade. St. Jude freely shares the breakthroughs they make, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Families never receive a bill from St. Jude for treatment, travel, housing and food – because all a family should worry about is helping their child live. We at the SCIAA know that we are extremely lucky to have such a great resource right here in our neighborhood and are proud to support their endeavors through our passion of middle school basketball. We are proud to announce that 75 percent of the proceeds of this

event went directly to St. Jude Research Hospital. Of course, we could not have done any of this without the participation of our teams and the support of their fans. A special thank you goes out to school administrator, coaches, players and fans of our participating teams: Craigmont Boys and Girls, John P. Freeman Boys and Girls, Germantown Boys and Girls, Lester Boys and Girls, Kirby Boys and Girls, Colonial Boys and Girls, Sherwood Boys and Girls, Woodstock Boys and Girls, Bellevue Boys and Girls, Ridgeway Boys and Girls, Mt. Pisgah Boys and Girls, American Way Boys and Girls, Kate Bond Boys and Girls, Hickory Ridge Boys and Girls, A. Maceo Walker Boys and Girls, Southside Boys, and Cordova Girls.

SCIAA Joins with Local PeeWee Football Teams for Food Drive

According to a 2012 United States Department of Agriculture report, 15.8 million children under 18 in the U.S. "lived in households where they are unable to consistently access enough nutritious food necessary to a healthy life." Not having access to food is detrimental to any person, but children are especially vulnerable. Hunger affects children's aca-

ademic performance, their social well-being, and their overall health, among other things. The SCIAA decided to partner with local pee wee football teams at our stadiums on November 8th, 2014 to have a food drive. Collectively we were able to donate over 450 can goods to the Memphis Food Bank. Thank you to all who donated and a special thanks to

Jake Allen for his assistance in organizing this event.
