## TSSAA Announces Mandatory Football Meetings Across the State

TSSAA will conduct eight football meetings across the state during the month of April. The purpose of these meetings is to discuss the new policy concerning "Limited Contact in Practice during Regular Season & Playoffs." After passing the new regulations during their March meeting, the

TSSAA Board of Control **MANDATED** that all middle school and high school **HEAD FOOTBALL COACHES** must attend one of these meetings. Those coaches attending will also be given state "Football Rules Meeting" credit for the 2015-16 school year. The meet-

ing for Shelby County Schools Coaches is scheduled for Thursday, April 16th at 6:00 pm at Memphis University School.

## Another Survey Ties Athletic Participation to Later Success

The correlation between interscholastic athletic/activity participation and success later in life has been well documented. A recent survey by Harris furthers that connection. The survey asked more than 2,000 adults about their high school experience and compared it to their education beyond high school and career accomplishments.

Some of the highlights from the

data collected include:

- 73% participated in some form of athletic activity
- 64% of athletic participants went through some level of higher education, compared to 45% of non-participants
- 15% of athletic participants have an income level greater than \$100,000, compared to 9% of non-participants

- 69% of athletic participants feel their participation was extremely or very important in providing them with skills to work towards a common goal

## State Athletic Directors Conference

### National AD Conference Speaker to Provide Keynote

Former NFL Defensive Tackle and the NFL's leading voice against Domestic Violence, **Coach Joe Erhmann** will be our featured speaker at the State AD Conference in April. Joe is an inspirational and dynamic speaker who works with corporate, civic, and community organizations and associations to promote growth, teamwork, effectiveness and individual responsibility. Joe's approach to this vital work is grounded in the lessons and experiences of his own remarkable life and the profound impact he has had on others. He is the subject of the New York Times Best-seller *Season of Life* by Jeffrey Marx. Recognizing Joe for his

revolutionary concepts of Team-Building, Mentoring and Coaching. Joe has also published his own book *InsideOutCoaching* about how sports can change lives. We are very excited and thankful to have Joe share with us on Monday, April 20th at 6:00p.m.

The conference fee is \$150.00 for members of the Tennessee Interscholastic Athletic Administrators Association provided registration fees are received prior to March 30, 2015.
