SMS Update

Mandatory NCAA Eligibility Workshops

It is imperative that coaches, administrators, student-athletes and parents are knowledgeable of the new NCAA eligibility standards for the graduating class of 2016 and beyond. NCAA member schools are expecting incoming student-athletes to have a foundation of high school courses that will best prepare them for the academic expectations in college and also present a grade-point average that predicts academic success at the collegiate level. The SCIAA will be offering mandatory workshops on NCAA academic eligibility and the recruitment process.

Workshop 1: Understanding

NCAA Eligibility Rules is mandatory for all High School Athletic Directors and Head Coaches of every sport. Available Workshop Sessions Dates: September 24th, September 28th, September 29th, October 20th, October 22nd, October 27th, February 2nd, February 9th, and February 11th

Workshop 2: Improving the Effectiveness of the Recruitment Process is optional. Classes will be available by demand.

After completing these workshops Athletic Directors and Head Coaches will be able to:

- Explain eligibility rules to students and parents

- Analyze transcripts to diagnose and provide direction on eligibility related issues.
- Generate and read an NCAA Status report.
- Remediate a transcript to meet eligibility.
- Assist in selecting courses and an elective focus.
- Determine and monitor NCAA status.
