This documentation includes all of the following: dated physical, parental consent form, assumption of risk, consent to treat, emergency contact information, concussion information sheet and sudden cardiac arrest information sheet.

CPR and First Aid courses are offered several times a month through WellChild and Coordinated School Health. You can view the available dates and sign up through My Learning Plan. Schools that have at least 7 people who need to update their certification may be able to have a class hosted at their school. ADs interested in hosting should contact Karmeisha Johnson, CPR Coordinator at 416-6719 for more information.

Update from the Athletic Manager

Winter Stipends

Stipends **must be** submitted by **Tuesday, February 9, 2016** to ensure payment is received on **Friday February 26, 2016**. Failure to submit by the deadline will result in delayed payments. In an effort to ensure that stipends are paid in a timely manner, the Office of Compensation is requesting that you follow procedures emailed out to Principals. All teacher/ teacher type employees received an equivalent of one step for the 15/16 SY. Because of this increase, stipends will be paid based on the current step in the portal. Classified employees will be paid based on the stipend amount received 13/14 SY.

Guidelines for the Cheerleaders: *Per SCIAA Constitution and Bylaws, Pg. 21*

1.Cheerleaders' functions are to make a positive contribution to good spectator reaction at an athletic contest and to create better relations between opposing supporters.

2.Cheers should be positive, not aimed at antagonizing an opponent. Care should be taken in making certain that words used in a cheer are not suggestive and do not have a connotation which would inflame the audience.

3.Cheerleaders should be alert to potentially disruptive crowd influences and take immediate steps to promote positive cheering from the crowd.

4. Cheerleaders are expected to lead the group in a round of applause for an injured player leaving the game.

5.When booing occurs, the cheerleaders should attempt to stop it. It is important that any booing is waved off immediately. If the booing becomes louder, the cheerleaders should help to divert the crowd's attention by starting a popular yell routine. Immediate action is the key to control booing.

6.Cheerleaders who display negative conduct and attitudes should be suspended or removed from the squad.

7.Cheerleaders should promote a spirit of friendliness between schools.

8.Cheerleaders should be ever conscious that they are official student representatives of their school and so conduct themselves to bring credit to it.
