## TSSAA/TIAAA Annual Conference

The Tennessee Interscholastic Athletic Administrators Association annual conference was held earlier April 10-12th. Some of the SCIAA Schools represented were Bolton, MBA, Carver, MASE, White Station, and MLK College Prep. There was a wealth of knowledge doled out at this years meeting. Four Leadership Training Courses were offered as well as TIAAA and TSSAA Round Table discussions. In the TIAAA Business Meeting, India Weaver was re-elected to the District 9 seat on the TIAAA Board. In the TMSAA session, Mr. McWhirter discussed the independent game rule suspension, TMSAA State Championship plans, and was open for questions from middle school athletic directors. In the TSSAA Round table, Mr. Bernard Childress discussed next year's reclassification, weight training and conditioning rules, open facilities, non-faculty coaches rule changes, updates on the transfer rule, and the officials shortage, and the Athletic Coaching Link rule.

**If you did not attend the Athletic Directors Meeting in Murfreesboro, please note that the TSSAA will be sending a recap of information discussed at the TSSAA Round Table to Principals and Athletic Directors. Please take special notice to the rule below. It goes into effect for the 2016-2017 school year.**

### 1. Addition to Article II, Section 13 (Ineligible Transfer Students):

**e. If a student with an athletic record transfers into a new school where an "athletic coaching link" existed in the past 12 months, that student is ineligible for 12 months at all levels in the specific sports where a linkage was present. Links may include (1) attendance at an individual camp (and then transferring); (2) playing on non-school (independent) teams (and then transferring to that coach's school); (3) transferring into a school where a former coach has just been hired; and (4) transferring into a school where a former or current personal trainer or strength and conditioning coach is employed.**

**\*This rule does not apply if the student moves to his/her new school after completion of the highest ending grade at his/her previous school.**
