Hamilton's Tesia Thompson nominated to the 2017 McDonald's All American Game

About Tesia Thompson:

As a coach, having one of your athletes to be mentioned as a potential McDonald's All-American is truly an honor and a privilege. The only thing that tops that is being lucky enough to remain in the background and watch her develop into an even better person that loves the concept of teamwork and accountability. Supporting her dream of playing on the next level has included spending countless hours in the gym working on weaknesses, developing an understanding of proper nutrition and rest along with 5:45am workouts before school that she considers her "breakfast". All of these things have assisted in her development but none have been more important than the love and support of her family that drives her to be great.

As an athlete, Tesia Thompson has been able to accumulate several awards such as: Best New Comer (9th grade), Best of the Preps (10th and 11th grade), Player MVP (Battle of the Boro - Team Penny), All District (9th-11th grade), Preseason Player of the Year (12th grade) Ranked 5th in Tennessee (12th grade), McDonald All-American nominee (12th grade) and Commercial Appeal's Player of the Week on multiple occasions. However, she has never been one to boast of her accomplishments. I asked her how it felt scoring 49 points in a game this year, the most thus far in Memphis, and her reply was "great as long as we won". Super kid. With that being said, Tesia Thompson is most deserving of this nominations and we hope to see her playing in the McDonald's All-American High School game.
