A Message from the Athletic Manager

Get Involved. Be Heard.

The TSSAA is spearheading an Official Recruitment Campaign. Schools in the Shelby County area must take a more active role in the issues that affect our schools. Out of the 90 schools that participate with SCIAA, only 2 schools have made a submission. Please help the TSSAA identify qualified individuals that could be potential sports officials. Graduating seniors, parents, teachers, administrators and retired members of the community that are age, race, gender and minority neutral would be great candidates. The TSSAA Official Recruitment form is located in your TSSAA Portal under forms. Provide the name and contact information (phone number and email address) of at least one potential official for each sport that your school offers. The information provided will be forwarded to your local coordinators of officials. They will reach out to each individual to explain the benefits of officiating and answer questions.
