From the Athletics Manager

Welcome Back!!

On behalf of the Shelby County Interscholastic Athletic Association (SCIAA), I am pleased to welcome everyone back to school. Opening season athletic competition will begin soon and it is part of our mission to enrich our communities by using sport as a vehicle to instill pride in our students who have dedicated themselves to reaching their full potential academically and athletically. This is an exciting time for our student-athletes. Their commitment to excellence in the classroom and in competition will contribute to success in all areas of their lives. During this most influential time, we understand that it is your goal to cultivate them into becoming the leaders of tomorrow. The SCIAA is proud to join you in all of your efforts to support and transform each and every student-athlete but most of all we thank you for being the pillars of a successful education-based athletic program. Have a Fantastic Year!

Important Updates:

- This year the District mandates that all Head Football Coaches must attend the TSSAA rules meeting on July 31st at MUS, 6pm.

- Durham Bus Transportation is partnering with the SCIAA to offer a special jamboree bus discount of \$97.50 (33% off the regular price) for the Football Jamborees. THANKS DURHAM!

- If your school is planning on hiring a retired educator as a coach, please contact compensation first to see if the person has an active pay line. Only retired educators with active pay lines will be paid district stipends.

- SCIAA will be offering a New Coaches Session before our Fall, Winter and Spring Coaches meetings. If you have coaches that are brand new to SCS please have them attend to learn more about what is expected of them.
