Lionel Hollins Speaks to Basketball Coaches

Once again it's time for middle school basketball in Shelby County. To start the season, the SCIAA had its annual middle school basketball meeting. The purpose of the meeting was to give coaches important information about rule changes, additional teams, important dates, scheduling additional contests, and to improve as leaders. This year the coaches were treated to former Grizzlies Coach Lionel Hollins. Coach Hollins was gracious enough to take some personal time out of his busy schedule to talk to our middle school coaches. There were two things that stuck out in his presentation about life and basketball; one was that he emphasized for the coaches to "have fun". The second thing he stated was that "fundamentals are more important than X's and O's". These two statements were profound because as coaches we can sometimes lose our joy for the game. We can get caught up in winning and lose sight of how to make children better. We appreciate Coach Hollins attending the SCIAA Middle School Basketball meeting and speaking to our coaches.

Thank You, Rhodes College

Rhodes College has recently made two donations to SCIAA schools.

Late in the summer Rhodes College Athletics donated 28 large lockers to Germantown High School. These lockers were excessed due to renovations at Rhodes and made a great addition to the Germantown Gym. The girls basketball and football coaches unloaded and installed the lockers to be used by the Freshman Football Team.

This fall, the Rhodes Men's Soccer team upgraded their soccer balls and made a donation of soccer balls to the middle school girls soccer program. These balls were distributed to American Way,

Ridgeway, J.P. Freeman, Chickasaw, Hickory Ridge and Sherwood middle schools to be used as practice balls for the teams.

Soccer is a growing sport at the middle school division and this donation certainly will not go to waste
