2nd Annual Girls Summit

SCS Schools participated in the 2nd Annual Girl's Summit in celebration of the 46th Anniversary of Title IX. On Tuesday, March 27, the Grizzlies hosted over 200 SCS middle school girls at FedExForum from the following schools: Barret's Chapel, Bellevue, Colonial, Cordova, Craigmont, Douglass, Germantown, Havenview, Hickory Ridge, Maxine Smith STEAM Academy, Raleigh Egypt, Sherwood, and Snowden. The Summit began at 9:30am with an opening rally and then all attendees had the opportunity to participate in various sport clinics throughout the day including basketball, lacrosse, soccer, volleyball, rugby and track and field. Each clinic was facilitated by a combination of college student-athletes and coaches who were supported by the Summit's featured guests. Our students had the opportunity to engage with featured guests WNBA Champion Tamika Catchings, two-time

Olympic Gold Medalist for US Soccer Angela Hucles, World Rugby Hall of Famer Phaidra Knight, Basketball Player and Speaker Bilqis Abdul-Qaadir. The summit concluded with the featured guests addressing the girls and giving them a first-hand perspective of life as a female professional in sports and what they can expect from a professional athletic career. On Wednesday, March 28th, the Summit continued its Title IX anniversary celebrations at FedExForum by engaging high school girls with sports professionals in breakout sessions that allowed them to network and converse with professionals in sports. Douglass, Booker T. Washington and Whitehaven represented Shelby County Schools. In the breakout sessions, students discussed: Sports Leadership with featured guest Angela Hucles, and The Business of Sport: Career Opportunities Off-The-Court

Optimal Nutrition for Performance and Health with featured guest Meg Mangano. Social Justice in Sport with featured guest Bilqis Abdul-Qaadir. Pathway to an Athletic Scholarship and Life as a Student Athlete with University of Memphis Athletic Compliance Zanetta Ivy and Former All-American Student-Athlete Chardae Greenlee. A special thanks to all the schools involved along with Board Chair Avant for making this such a successful event.

SCIAA Middle School Soccer PlayDay

The Middle School Soccer Play Day will still go on tomorrow as scheduled with one exception. The games that were being played at the Cordova grass field will be moved to Crump Stadium. The games originally scheduled for Cordova Stadium will remain the same.

Sports Physicals

Even though the school year is winding down you can get a jump start on fall planning by preparing your returning student-athletes to get their physicals early. As long as the physical is dated April 15th of this year or later, it will be valid for the entire upcoming 2018-19 school year. That means you don't have to wait until the fall and rush to get your students seen. You can begin to schedule your returning athletes and any current students who may be interested in playing sports next year before school is out. Well Child is available to set up appointments at your school to have your students seen during the school day for your convenience. For more information contact Well Child at (901) 728-5858.

No matter what provider your student-athletes choose they are all required to have the same documentation including the two page Athlete's Health Record. All forms can be found on sciaa.digitalsports.com/health.

GET CLEARED PLAY BALL

Well Child offers sports physicals at school during the school day.

Sports physicals after April 15 provide clearance for next school year.
