### **TSSAA Baseball Pitch Count Regulations**

# THESE RULES ARE IN REGARD TO THE POSITION OF BASEBALL PITCHER. GENERAL GUIDELINES:

- 1. Make sure properly warmed up prior to any throwing activity. Use proper equipment to aid in the warm up. (Surgical tubing, etc...)
- 2. Make sure a proper dynamic and static stretching plan is followed prior to throwing.
- 3. Educate pitchers on proper mechanics and techniques of throwing.
- 4. Monitor for signs of mechanical breakdown and fatigue.
- 5. Take immediate action if a pitcher complains of pain.
- 6. Consult a trainer/doctor/trained coach upon completion of game pitching activity.
- 7. Put in place and follow a prescribed post pitching rehabilitation program.
- 8. Make every effort to avoid pitching a player in multiple games on the same day.

### **RULES:**

- 1. A player cannot pitch three (3) days in a row regardless of number of pitches thrown. Using a pitcher three (3) days in a row would violate the rule regarding using an ineligible player.
- 2. Each pitch will count as a pitch. Even if a pitcher surpasses a cutoff number, the pitch count will be exactly the number of pitches thrown. No pitch count will revert to another number. (ie. 120 pitches will be 120 pitches)
- 3. It is strongly recommended that coaches check with the opposing team between each half inning to make sure both teams agree to and record the same pitch count.
- 4. In case of disagreement, the home team's count will be the final accepted count.
- 5. Both teams are required to sign each other's pitch count form at the end of each game.
- 6. The pitch count will apply to any player who pitches and is cumulative each day. JV pitch count and high school varsity pitch count are linked together. Example: a pitcher who pitches 45 Varsity pitches on Monday is not permitted to pitch JV on Tuesday.
- 7. The pitch count applies to regular season and postseason.
- 8. A pitcher may pitch in Game 1 of a doubleheader and return to pitch in Game 2 of the same doubleheader. The pitches in Game 2 will be added to the Game 1 total for the purposes of determining the number of days' rest needed.

2nd Time – Forfeit; \$250 fine; coach suspended for two games at each level the violation occurred.

3rd Time – Forfeit; \$500 fine; coach suspended for four games at each level the violation occurred.

The SCIAA urges coaches to check with opposing team between each inning to ensure pitch counts are the same. If you see a coach not charting pitch counts, please make note of it on your sheet and contact the SCIAA Office the next day, schlutermanl@scsk12.org.

### **SCIAA Rules:**

### 105. Inclement Weather and Postponed Games

- 105.1 Inclement Weather When school is cancelled because of inclement weather conditions, all athletic events will be postponed. The home school is responsible for notifying officials and calling everyone involved in the contest.
- 105.2 If schools are closed on the day a meeting is to be held, the meeting will be rescheduled by the SCIAA office. Schools will be notified of the new date.
- 105.3 The principal of the home school will contact the principal of the visiting school and they will decide whether the game is to be played or postponed. In the event of disagreement, the decision rests with the Athletic Manager. 105.4 If postponed:
  - The Athletic Manager should be notified of the decision immediately, including the new date and site preference.
  - b. The home school will notify the officials' assigning agent that the game has been postponed.

105.5 Guidelines for Forfeiting Athletic Contests

### Forfeit - Any game that is cancelled by a school for reasons other than weather related conditions.

- a. To keep from paying a fine, the forfeiting schools must notify the opposing school and the SCIAA office in writing at least 24 hours before the contest.
- b. Officials should be notified of game cancellation by 11:00 a.m. on the day of a scheduled contest. If the school fails to notify the officials, the forfeiting school must pay and will not receive reimbursement from the Athletic Office.
- c. Both schools in a forfeiting situation should send a letter to the SCIAA office and a copy to the opposing school principal.
- d. The fines for forfeiting are two hundred dollars (\$200.00) for major sports, fifty dollars (\$50.00) for minor sports. *Baseball and Softball are both defined as major sports.*
- e. If a school fails to notify the opposing team by 11:00 am in writing on the day of a scheduled contest the forfeiting school must pay the cost of the bus for the visiting team if a bus charge is incurred.
- f. The forfeited game will not be rescheduled.
- g. If there is a continued pattern of forfeiting in any sport, the Athletic Manager may request an explanation.
- h. Any school that has a forfeit situation must notify the SCIAA within 24 hours. Failure to notify the SCIAA in writing will result in a no contest for championship purposes.
- i. A forfeit will remove the forfeiting team from consideration for the SCIAA Championship.
