Khaliyah Watson	Chickasaw
Makayla Mobley	Humes Prep

## Athletic Directors-Reminders

### Welcome Spring

Spring Sports kickoff March 18th. Be sure that your coaches have confirmed all schedules and have their team's paper-work complete.

All on-campus athletic field maintenance issues require a work order entered by your building engineer. All coaches have been asked to walk the fields and submit all necessary work orders by March 1. Baseball & Softball-All bases must be properly anchored or be heavy rubber or rubber/metal for game play. It is the responsibility of the school/coach to prepare the field for

game play. This includes removing any hazards, set bases and pitching plates, as well as marking foul lines.

Soccer-Corner flags are mandatory for all games. Officials will not call a game without corner flags. It is the responsibility of the soccer coach to set up the field for game play.

### Preparing for Fall

Inventory all fall and winter uniforms and equipment. Prepare orders for next year. Check football helmets for reconditioning. Football helmets must be reconditioned every two years. You can check the reconditioning stick-

er on the helmets. It is best to get those helmets out to the reconditioner at least by April so that they will be returned in time for football in the fall. Well Child's Sports Physical Pre-Registration Incentive Program 2019. Schools that pre-register a minimum of 75 student-athletes for the sports pre-participation exams for 2019-2020 school year will receive a Gatorade Performance Package. Pre-registrations due to Well Child no later than April 5, 2019 at 3:00 pm to qualify for incentive. Contact your Well Child representative today!
