

CSC Meeting Postponement Protocol Due to Inclement Weather

In the event that there is inclement weather on a scheduled Athletic Director's meeting day, the following protocols will determine whether or not the meeting is postponed to another date:

- If Waterville Central School is closed the meeting is postponed
- If Waterville Central School is on a **one hour delay**, the meeting will **start at 10:00 a.m.**
- If 10 or more Center State Conference schools have *cancelled* school for the day, the meeting is postponed.
- If less than 10 Center State Conference schools are cancelled, the meeting will continue as scheduled.
- It goes without saying that if the meeting is still taking place and the weather is such that makes it difficult for you to attend, then use good judgment is deciding whether or not to attend.
