Re: Shore Conference Student Ambassador Program

Dear Athletic Directors,

As we prepare to enter a new school year, I am proud to announce the formation of a new student athlete centered initiative, The Shore Conference Student Ambassador Program. This committee will be populated with a mix of athletic directors and two student athletes from each high school. The goal of this program is to connect with our students and create an atmosphere where we can openly discuss issues teams, players, parents, and schools are facing and to teach them leadership skills, problem solving techniques, and sportsmanship in a formal setting. This program will follow the same type of format the NJSIAA has created in their ambassador program but will focus more on the local level. I would like to introduce the administrative team that will serve on the committee:

Committee Chairs

1. John Germano; Barnegat
2. Chris Ferrone; Point Pleasant Boro
3. Rob Paneque; Jackson
4. Chris Lanzalotto; Rumson-Fair Haven

Monmouth County (2)

- 1. Dave Zwirz: Colts Neck**
- 2. Rick Arnao: Neptune**

Ocean County (2)

1. Ed Sarluca: Brick Memorial
2. Oscar Orellana: Lakewood

Please join us by selecting 1 Male & 1 Female Athlete from each school (CBA 2 Males, Trinity Hall 2 Females) Preferably multi-sport athletes if possible and please try to select 1 senior and 1 junior. **Please return this form via email to dzwirz@frhsd.com** with your school representative **as soon as possible**, so we can plan for our first meeting. We need each student's mailing address so we can send them a congratulatory letter.
