

# NCAA RULES 2017

SLOA Presentation

# RULE 1 CHANGES

Pocket – Side walls have to be completely attached (1-18)

Mesh – may be more than one color (1-19)

Handles – adjustable handles are legal, but can't be adjusted during play (1-19)

Butt end – 1 min USC if not corrected (1-18)

# RULE 2 CHANGES

Technology permitted on the sidelines (2-4)

Jurisdiction leaves when officials leave facility (2-8)

# RULE 4 CHANGES - FACEOFF

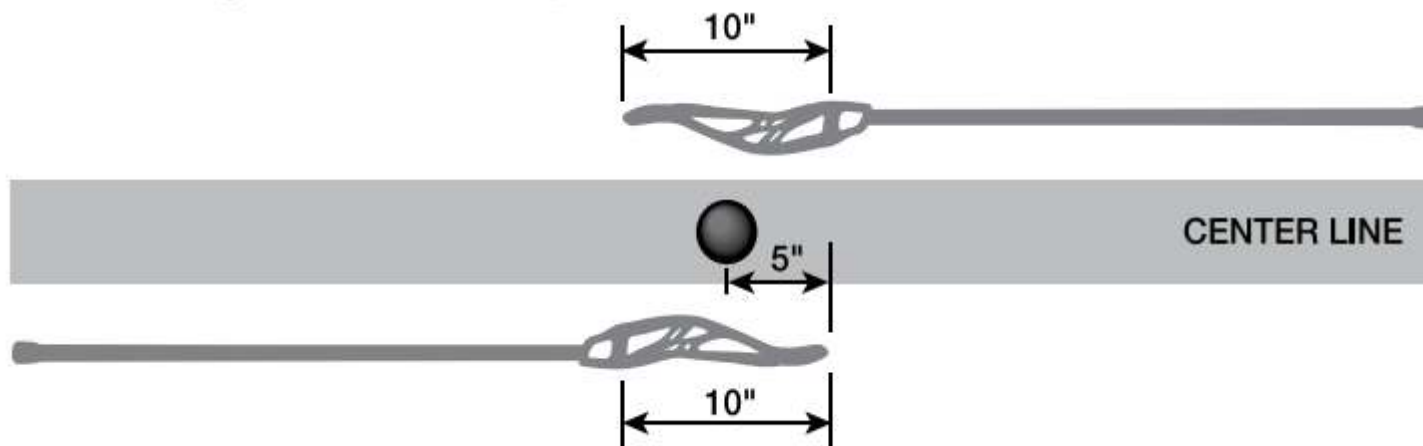

Paint **OR** tape allowed for FO stick (4-3 b15)

Ball must be placed in middle of both sticks

“From top to stop”

Place hands on top of both sticks (4-3 b7)

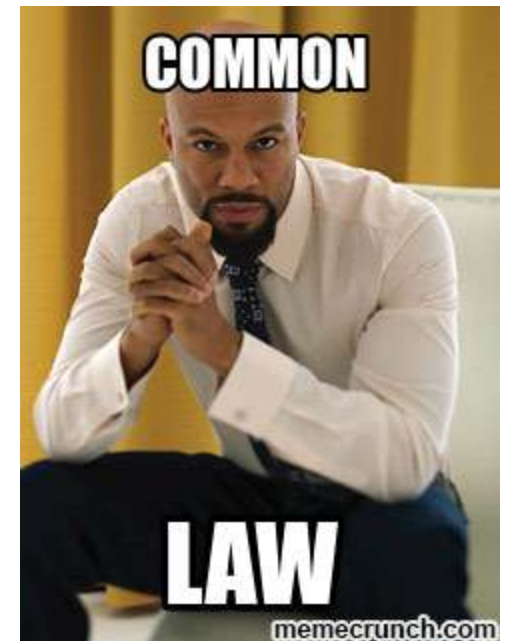

Calling official signals violation

# RULE 4 CHANGES — FACEOFF COMMON LAW

**9-24-15 NILOA memo** - *If the ball squirts out and away from the faceoff players on a faceoff, NO player may pick the ball up by jamming the reverse side of the crosse on top of the ball.*

**3-20-15 NILOA memo** - If a player's first move is into the opponent's body with the intention of not playing the ball this would be a violation and possibly more

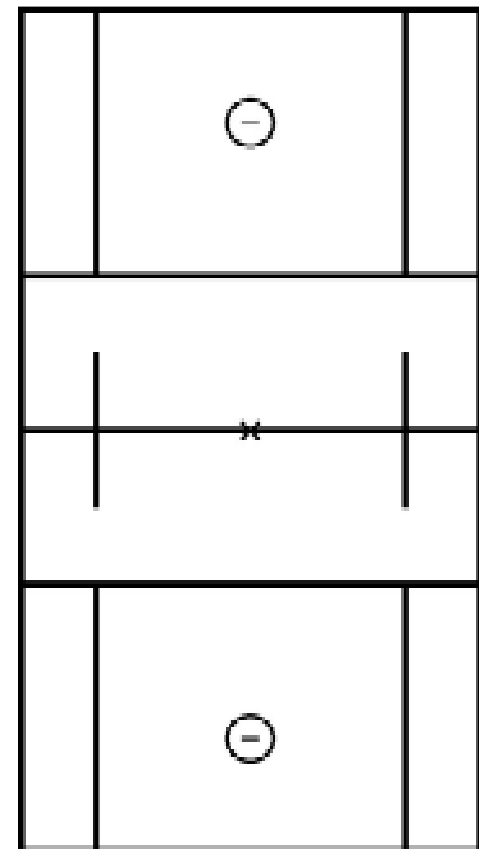

# RULE 4 CHANGES — ADVANCING THE BALL COMMON LAW

Clearing team that enters the alley and calls a live ball timeout prior to entering the attack area has satisfied the 30 second clearing count (4-15)

**4-28-16 NILOA memo** - Play-on AND flag down slow whistle situations reset 30 sec clearing count

Over & Back stays the same

**Dive** - If a player leaves his feet (straight up) to catch a high pass & contact causes him to land in the crease, the goal will count, provided the ball entered the goal prior to any contact with the crease area. (2016 rules presentation)

# **RULE 6 – SHOT CLOCK & RULE 7 – SLOW WHISTLE**

## **Shot Clock**

In ALL cases when play has to be stopped due to delay in starting, the shot clock is reset to 25 seconds

Possession Shots –

End of period ends a shot clock (6-11 b9)

## **Penalty Enforcement**

Goal may not be scored by a team that fouled to cause a slow whistle or play on (7-9 AR48)

# ADDITIONAL MEMOS

Where can I find new memos?
